CCRIF-UWI SCHOLARSHIP

In 2010, CCRIF began its scholarship programme with University of the West Indies (UWI) to provide scholarships to students who are pursuing studies in catastrophe risk related undergraduate and postgraduate programmes at the University. Eligible programmes of study are shown below. This scholarship programme is administered by UWI, which handles all applications.

CCRIF UNDERGRADUATE SCHOLARSHIPS

CCRIF is offering four scholarships per year to students entering their second of three years in any of the following seven undergraduate programmes of study:

- Faculty of Humanities and Education at Mona for a major in Geography
- Faculty of Science and Agriculture at St. Augustine for a major in Geography
- Faculty of Science and Technology at Mona for a major in Geography or Geology
- Faculty of Engineering at St. Augustine for a degree in Civil with Environmental Engineering
- Faculty of Science and Technology at Cave Hill for a degree in Earth Sciences
- Faculty of Science and Technology at Cave Hill for a degree in Meteorology
- Faculty of Social Sciences at St. Augustine for a special management studies degree in Insurance and Risk Management

Each scholarship is valued at US\$4,000 per student per year. CCRIF will provide scholarship coverage in the third year for the four students awarded scholarships in year 2, subject to satisfactory academic performance (the maintenance of a 3.5 GPA) in their second year.

To apply for one of these scholarships, visit the scholarship section on your campus website to obtain the application form then submit along with the other relevant documents to the Office of Student Financing.

THE DEADLINE FOR 2018/2019 SCHOLARSHIPS IS MAY 31, 2018.
